Profile

I'm a passionate introvert who has recently completed Le Wagon web development bootcamp and I'm ready to take on a new challenge as Frontend developer. Besides programming languages, I also speak 5 languages fluently. I'm reliable and can both work independently and as part of a team; I'm a fast learner and take great responsibility for my work.

Education

Full Stack Web Development, Le Wagon

Full-time intensive Web Development bootcamp in 2023

Learned and extensively used HTML, CSS, Bootstrap, Javascript, SQL, Git, Github, Heroku and Ruby on Rails

Designed, implemented and shipped to production a clone of AirBnB

Projects

My portfolio

Portfolio it's currently under construction as I continue to add new projects and refine my presentation. However, there's already plenty to see, including a variety of my technical skills showcased through different projects. Please feel free to explore and check back regularly for updates and new additions. I'm excited to share my work and growth with you!
